Dots and Boxes

Two players. Connect neighboring dots horizontally or vertically, one line per move.

Close a box: add your initial and take another turn. A shared side can close two boxes. A move that closes no box ends your turn. Most of the nine boxes wins each game.

Game 1

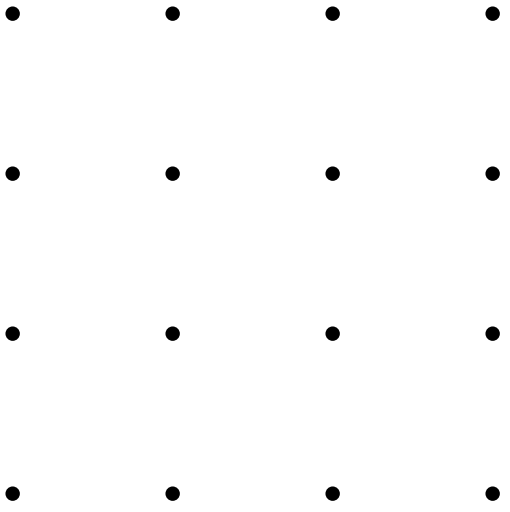

Player 1: _____

Boxes: _____

Player 2: _____

Boxes: _____

Game 2

Player 1: _____

Boxes: _____

Player 2: _____

Boxes: _____
